

DAYSTAR U.S.

For the advancement of Daystar University, Nairobi, Kenya

Press Release For Immediate Release 17 January 2012

Daystar University announces new Executive Director

Dr. Kathleen Johnson has been selected to become the new Executive Director of Daystar U.S., the U.S. office of Daystar University in Nairobi, Kenya. She begins her new assignment on February 1st. For the past 27 years, she has been at Minnehaha Academy, a private, Christian, college preparatory K-12 school in south Minneapolis. She began as a Teacher, and then, took on new challenges from Principal, to Director of Admissions, to Director of Development. Internationally, she has worked extensively in Ukraine as an advisor to school leaders over the past decade. She and her husband, Bob, have two adult children and one grandchild.
