WHO WE ARE:

Daystar U.S. is a nonprofit dedicated to transforming Africa through the education of Christ-centered servant leaders. We mobilize resources for Daystar University in Nairobi, Kenya. Since 1983, Daystar U.S. has offered an opportunity for Americans to have a significant impact in Africa.

QUICK FACTS:

- **Daystar University is an inter-denominational and evangelical Christian university located in Nairobi, Kenya. Daystar's mission is to educate Christ-centered servant leaders who shine for truth and compassion.**
- **Daystar University has a proven impact of over 40 years with 35 undergraduate degrees, 16 master's programs and 2 PHD programs.**
- **The name "Daystar" is derived from the Bible (2nd Peter 1:19), which is used to describe Jesus Christ. The hope of Daystar University is that every Daystar student would shine brightly for Jesus Christ as His lights in the world.**
- **Daystar University produces African solutions from African leaders committed to a lifetime of community-based, sustainable wholistic transformation. 97% of the faculty and staff are African.**
- **There are over 18,000 Daystar alumni living around the world, impacting their communities in real ways.** Like Mary Mambo, who, shortly after graduating, started a clinic, school, and church in a vast Nairobi slum. She provides meals to over 200 students daily and each month approximately 200 healthy babies are born under Mary's care.
- **Approximately 5,000 students are enrolled at Daystar University from over 30 African countries. Over 90% of alumni stay in Africa after graduating.**
- **Approximately seven students can be educated at Daystar for the cost of educating one African in a similar U.S. institution.**
